1970-12-14	1970-12-14	https://www.nytimes.com/1970/12/14/archives/letters-to-the-editor.html	Letters to the Editor	True	I'D Propose That the First \$500000 a year of company profits be exempted from the surtax, to simplify administrative problems. I think, too, such a tax should be temporary; perhaps for two years. My impression is that new corporate income taxes tend to get passed on to consumers after some lag in time. Such a shifting of an anti-inflation surtax would spoil its purpose. MICHAEL MARSH Washington, D.C.; Dec. 7, 1970; Perhaps doctors should be employed on a contingency basis also. No cure, no fee. JOSEPH B. SOUZA New Bedford, Mass., Dec. 5, 1970; On June 9, 1939, The Times compassionately editorialized on this incident, saying, 'the cruise of the St. Louis cries to high heaven of man's inhumanity to man.' But the question of international law was never brought up. ERNST P. POLL New York, Dec. 3, 1970	1998-10-21	RE0000789129	B00000632402
